LONG TERM CARE and LIFE INSURANCE

This Story Could Be Yours

Meet Hank, a 60-year-old self-employed architect. He's worked hard to provide a comfortable life for his wife and children, and now he's looking forward to retirement. But lately Hank's been concerned about what would happen to him and his family if he needed long term care like his father, who is facing a number of health issues and large medical bills from his struggle with Alzheimer's. Hank wants to make sure that the cost and burden of any care he might need doesn't fall on his family and loved ones.

What's a Solution?

Health insurance or Medicare can help pay for the cost of immediate medical expenses. But if you need ongoing care for a chronic illness, such as Alzheimer's, or for a serious disability that requires help with daily living needs, such as bathing, dressing, or eating, then you may need long term care coverage, especially since the need for this type of care can last for several months or even years.¹

For Hank and his family—and for you and your family as well—the answer could be a Long Term Care Rider with a TransACE® life insurance policy from Transamerica Life Insurance Company. You get the best of both worlds: long term care coverage if you need it and, if you don't, a guaranteed financial legacy for your family.²

What does having a TransACE® life insurance policy with the Long Term Care Rider mean to Hank and his loved ones?

- Hank can receive long term care benefits from as low as \$25,000 up to \$1 million.
- If Hank does not use the long term care benefits, his premium payments will not go to waste—his loved ones will receive a guaranteed death benefit.
- Hank can count on what he pays for the LTC Rider not to increase. And with the TransACE® life insurance policy that it's a part of, Hank has opportunities to surrender his policy at certain anniversary dates and be eligible to receive up to 100% of the life insurance premiums paid.⁴

¹A chronically ill individual is defined as an individual who has been certified by a Licensed Health Care Practitioner as being unable to perform two of six Activities of Daily Living (bathing, continence, dressing, eating, toileting and transferring) for a period of at least 90 days or having a severe cognitive impairment.

²All guarantees are based on the claims-paying ability of Transamerica Life Insurance Company. Fluctuations in interest rates and/or policy charges may require the payment of additional premiums to keep the policy in force.

³National Clearinghouse for Long-Term Care Information, U.S. Department of Health and Human Services, Will You Need LTC?; http://www.longtermcare.gov/LTC/Main_Site/Understanding/Definition/Know.aspx July 2, 2012.

⁴Surrender value will be the lesser of 100% of gross premiums paid less any refunds, partial surrenders, and outstanding policy loans or 33% of the lowest face amount less any outstanding loans and any partial surrenders during the 60-day period following the 15th or 20th policy anniversary, or at any time on or after the 25th policy anniversary. Surrender value will be reduced on a dollar-for-dollar basis if LTC benefits are paid out. Subject to minimum funding requirements.

Guarantees, Flexibility and Control

A TransACE® life insurance policy with the Long Term Care Rider can help guarantee that you have means to pay for long term care if you need it.⁵ Plus, if you end up not using the long term care benefits, you can still leave your beneficiaries with a financial legacy—a valuable gift for your loved ones.

You're not just buying a life insurance policy. You're helping provide protection for your family from a company that you can trust.

⁵The Long Term Care Rider is an acceleration of the base policy's death benefit. Benefits paid under the rider will reduce the policy's death benefit and policy value. Consideration should be given to whether your life insurance needs are met if rider benefits are paid out in full.

TransACE® is a non-participating flexible-premium universal life insurance policy issued by Transamerica Life Insurance Company, Cedar Rapids, IA 52499. Policy Form #1-12611107 (CVAT), Group Certificate #2-72336107 (CVAT), Long Term Care Rider Form No. ICC 12 LTCR02 or LTCR02. Policy and rider form and number may vary, and this policy and rider may not be available in all jurisdictions. Insurance eligibility and premiums are subject to underwriting. In most states, in the event of suicide during the first two policy years, death benefits are limited only to the return of premiums paid.

The life insurance policy and the rider are subject to separate underwriting. This is a solicitation and an agent/insurance producer may contact you.

The policy and rider have exclusions and limitations. For costs and complete details of the coverage, contact Transamerica.
